

Call for the Expression of Interest (EoI)

For the Provision of Simultaneous Interpretation Services for IRENA

The International Renewable Energy Agency invites interested companies to apply on the following Call for Expression of Interest:

Introduction & Background

IRENA is the lead intergovernmental agency for the global energy transformation that supports countries in their transition to a sustainable energy future and serves as the principal platform for international co-operation, a centre of excellence, and a repository of policy, technology, resource and financial knowledge on renewable energy. With 167 Members (166 States and the European Union) and 17 additional countries in the accession process and actively engaged, IRENA promotes the widespread adoption and sustainable use of all forms of renewable energy in the pursuit of sustainable development, energy access, energy security and low-carbon economic growth and prosperity.

Approach of IRENA

As part IRENA's ongoing work worldwide, we hereby invite Expressions of Interest (EoI) from international entities, who are specialized in Interpretation Services. As an output of this exercise, IRENA will compile a database of the Interpretation Service firms with their related fields of expertise in different languages capabilities and locations / regions to qualify as a registered entity for the inclusion in the qualified vendors.

e-mail applications to the EoI shall be accepted only by filling in the information attached in table "A" , "B" and "C" including the certificate of registration.

Submission of EoI to be sent **only** to: procurement@irena.org
